**MEAL INFORMATION:**

Due to the logistics of ordering food on the island, it is difficult for the chef to accommodate last-minute dietary needs (i.e. life-threatening allergies such as airborne peanut, seafood, etc...) upon the school’s arrival. Please assist us by obtaining the information below. The Student Health Forms should be consulted for food allergies. Please collect these at an early date so that you will have the appropriate information. **The Assistant Program Director will call one week prior your departure for this information.** We can offer no assurance after this time. **If a student’s condition is relatively complex, please have a parent call/email us.**

If this is your first visit and you have any concerns about a student’s condition, please call the CIMI Program Office for assistance.

**FINAL REVIEW:**

➤ Chaperones need to be active participants in all activities including snorkeling, kayaking and hiking.

➤ Remember to divide the groups and do dorm assignments before arriving at Fox Landing.

➤ Students should know group and dorm assignments prior to arrival. A list of these details should be given to your group’s personal Program Coordinator (PC).

➤ Chaperones are responsible for students during free time

➤ Students are discouraged from using the office phone.

➤ **ARE YOU BRINGING A CHECK?**

**REMEMBER!** **ASTHMATIC STUDENTS WITH AN INHALER PRESCRIPTION WILL NOT BE ALLOWED TO PARTICIPATE WITHOUT AN INHALER. YOU WILL BE RESPONSIBLE FOR COORDINATING WITH PARENTS, DOCTORS, AND PHARMACISTS TO GET INHALERS/EPIPENS TO THE ISLAND.** DO NOT FORGET TO DOUBLE CHECK – THIS CAN BE A LIFE & DEATH ISSUE!
